

# DIVE INTO THE NEW SCHOOL YEAR!

## BE PART OF THE VGE PTA!

### How Can You Help?

Please become a member of our PTA. Membership is only \$10.00 per parent. With your ideas, participation, and donations we can succeed in our goal to make this school an excellent environment for our kids.

You can support your child's school and stay in the know about events and volunteer opportunities!

You are not committing to any service by joining, but you will receive PTA related emails and be eligible to vote at PTA General Membership meetings.

### What does the VGE PTA do?

We advocate for our wonderful students and families and support our great teachers and staff. We are currently raising funds for our beautification project at the school.

Visit our store to purchase your membership!

Visit
